INSURANCE POLICY

We will prepare and send insurance claims on your behalf, coordinate benefits and accept assignment of benefits. We are not, however, responsible for knowing your insurance coverage, or for any charges in excess of your insurance coverage. We accept, all private insurance as well as ODSP, and Healthy Smiles. ***We also accept the Canadian Dental Care Plan (CDCP). The CDCP fees are lower than the Ontario Dental fee guide so any and all co-pays are the responsibility of the patient/guardian***. It is ultimately your responsibility to know what your insurance covers including maximums. The person singing the forms is responsible for all costs incurred in our office above what your insurance covers.

I have read, understood and will comply with the Insurance Policy listed above: Initials

FINANCIAL POLICY

Patient/Parent/Guardian assumes full responsibility for payment of fees associated with treatment and services rendered. For those without insurance, payment for treatment is due, in full, at the time of service, unless prior financial arrangements have been made in advance. For those with insurance any fees/co-pays not covered by your insurance company are due in full, at the time of service.
We accept cash, debit, Visa, Mastercard. ***We do not accept personal cheques.***
Any major work or procedures requiring a laboratory or ancillary fee will require a deposit in order to book the appointment.
Financing options are available, but require a financial consultation, and signed treatment plan prior to treatment. For all accounts more than 90 days past due, interest will be charged at a rate of 3%/quarter. Accounts not cleared prior to 120 days will have an administrative fee applied and will be sent to collections.

I have read, understood and will comply with the Financial Policy listed above: Initials
